“The Wildwood Soup Kitchen serves 200-300 people per day (except Sunday). We serve healthy, nutritious and appetizing meals to all who come to us. Those who are hungry and receive meals may be homeless, the working or non-working poor or just lonely people. The ages vary from children to adult seniors. We have several families with children who come to the soup kitchen to eat.

We also deliver meals to those who cannot come to the soup kitchen. Many of these home-bound or shut-ins may only eat the one meal we deliver. Every person who comes to us for assistance is welcomed, without regard to race, sex, age, color, religion, national origin, handicap, or income.”

From a quilting needs perspective:

- At this point in time, they do NOT need any soup bowl cozies. We more than met that need in the past.
- They would like about 200 placemats that will be used when people are eating at the picnic tables.
- They would like about 20 quilts – one for each delivery driver to deliver to the most needy on their route.
