

Barn Quilting Workshop

With Suzi Parron

Join the barn quilt movement by creating your own painted quilt block.

For more information visit: <http://barnquiltinfo.com/>

You will begin with a pre-primed board and go through each step—drafting, taping, and painting, with careful attention to detail. You will leave with a finished quilt block or with one last color (which will be provided) to add at home. Ready for show and tell at your next meeting! The finished product will be two-by-two feet and is the perfect size for mounting on smaller buildings.

Please bring: Plastic or paper to cover the table and floor of your work area, painters tape (green Frog brand is best), a yardstick of 24 inch ruler, a pencil, a hair dryer with extension cord for 3-4 people.
