I understand that set up is at 7:30am, the show is from 9am to 2pm. I agree to keep my table set up until the announcement at 2pm that the show has ended. I will have until 2:50pm to pack up. Packing/leaving before 2pm will give a signal to those in the parking lot that the show is over, when it is not. I understand that leaving early will prevent me from participating in the future.
