### Standard accessories for BERNINA 480

- 4 Bobbins in the accessory, 1 bobbin in the bobbin case
- 1 Foam pad
- Selection of needles
- Soft Cover with pocket
- 3 Spool discs
- Seam ripper
- Height compensation tool
- Screwdriver red
- Brush
- Foot control
- Power cable

### Reverse Pattern Foot #1C

#### Easy forward and reverse stitching

Reverse Pattern Foot #1C is the ideal presser foot for sewing forward and reverse-feed utility and decorative stitches.

- For forward and reverse-feed stitches
- For materials such as cord, denim and wool
- Guarantees excellent fabric feed
- For 9 mm machines

### Blindstitch Foot #5

#### For especially elegant garments

Blindstitch Foot #5 is designed for sewing blind hems on all fabric thicknesses for a barely-visible finish.

- For sewing invisible hems
- Barely visible stitching on the front
- For 5.5 mm and 9 mm machines

### Zipper Foot #4

#### Sewing zippers in no time

Thanks to its narrow, centrally positioned toe, Zipper Foot #4 can stitch very close to the zipper coils, allowing it to sew the zipper on neatly.

- Accurately sewing in zippers of all sizes
- For 5.5 mm and 9 mm machines

### Overlock Foot #2A

#### Overcasting without a serger

Overlock Foot #2A lets you neaten seams easily and sew high-quality hems, waistbands and overlock seams on knit fabrics.

- Serging
- Neaten edges
- For elastic and stretch materials
- Creates a flat, elastic seam
- For 9 mm machines

### Buttonhole Foot with Slide #3A

#### Automatic buttonhole sewing

Depending on the model, Buttonhole Foot with Slide #3A determines the desired buttonhole length for identical buttonholes either via a sensor or manually.

- Sewing any number of buttonholes of exactly the same length
- Flexible choice of buttonhole length up to 30 mm
- With or without cording
- For 5.5 mm and 9 mm machines
