

Big Brothers Big Sisters (BBBS) mission is to help youth reach their full potential. The organization supports and supplements one-to-one relationships between mentors and youth. Mentors empower children to graduate high school and help them plan for a future with a mentor whose impact will last a lifetime. Each child who enters the program is wrapped in a donated quilt by their new adult mentor.

Website info: BBBS needs age-appropriate kid-themed quilts for boys and girls ages 5 -13. They prefer twin-size quilts or large lap-size quilts that kids can use on their beds.

Guild contact is Ardith Tillotson of the Fenney Sewcialites Chapter
