

Brother Quilt Series - BQ3100 \$3200 Appraised by Manager at Sewing Studio
 Nancy Cooney - nccooney822@gmail.com

- Condition: Like new
- Note the built-in adjustable lighting
- Machine was just cleaned and serviced by Sewing Studio
- Purchased 3 years ago for \$4400. Retail now is \$4699.99
- Attached table is very generous: 24 3/4" wide and 16 1/2" deep
- This is the quietest sewing machine I've ever used
- The Dual Feed Foot is the mother of all walking feet, and the Sensor Pen (a relatively new accessory that allows electrically creating designs that can be hand drawn or written and stitched to become part of your project. These two features, alone, make it imperative that the user attend a class to learn how to take advantage this kind of technology. I will gift the buyer with the cost of the class, at Sewing Studio Lady Lake.
- Also included, a roller bag and all accessories that came with this model
